

Lampwork Beads

(Code: rjn10030)

Overview

Let's create your original glass beads! Choose your favorite colors from more than one hundred variety kinds of glass materials to design your original work. Besides, this activity provides you an interesting experience to know how glass changes its solid shape into liquid when you heat the glass. Lead glass is used to make lampwork beads and each glass has a different character; some are easy to melt, some are easy to break into pieces. Enjoy learning beads making and characters of glass.

Highlights

- Opportunity to make your own handcraft
- Two beads of your design
- Learning glass character through making beads
