

Food Sample Making

(Code: rjn10018)

Overview

Food replicas appear in the windows and display cases of restaurants and cafes all through Japan. A single restaurant may order a complete menu of plastic items costing over a million yen. In this activity, you can try your hand at creating your own food sample art in Nagoya.

Highlights

- Multiple times offered throughout the day
- Perfect for all ages and skill level
- Ideal choice for families

What You Can Expect

Try your hand at creating your own food sample art in Nagoya! On this tour, you will create food replica art at a food sample maker lab in central Nagoya. These replicas, familiar to showcases in front of restaurants in Japan, almost look like real food. During this program, you can make your own version of tempura using wax, which is the original material for making food samples. Let's try and enjoy making your own souvenir! After your experience, you can also look at the craftsmen making various food replica art at the lab. They have various kinds of plastic food samples for sale as well.
