Gero Onsen

Nagoya is one of three major cities in Japan. Visit landmark spots you are interested in and enjoy shopping at Nagoya Station or Sakae/Osu area.

Nagoya

Gero Onsen is one of the three most famous onsen in Japan. Simple alkaline onsen water makes your skin smooth like lotions. Please enjoy strolling around onsen streets where you can stop by and rest your feet at footbaths. Also, there is a Gero Onsen Gassho Village within walking distance from onsen street.

Inuyama Castle Town

Tsumagojuku

Jazz Dream Nagashima is the largest outlet mall in Japan (accommodates 302 stores). Nabana no sato has a large size of flower fields. In winter, you can enjoy winter illumination (November-April) such as a light tunnel and a lit-up flower display.

Nagashima Resort

Enjoy exploring the castle town and find photogenic spots and foods. Inuyama Castle is designated as National Treasure.

Let's take a walk at Tsumagojuku, one of the post towns of Nakasendo, an ancient road that connected Kyoto and Edo.
