*Note	The itinerary is subject to change depending on traffic and weather condition.

☆Takayama Jinya・Morning Market

Takayama Jinya served as the government's administrative office for Hida area during the Edo period. It is the only remaining government office from that period in Japan. Takayama Morning Market is known as one of the three most famous morning markets in Japan. Let's visit Jinya-mae Morning Market in front of Takayama Jinya, one of two morning markets in Takayama.

☆Old Town

Old Town was a flourishing town since Takayama Jinya was established more than 300 years ago. Streets and main roads were established around castles, shrines and temples that contributed to the town's development.

☆Shirakawago (World Heritage site)

Shirakawago is a mountain settlement in what was once considered a wild and unexplored region because of the area's environment, with high mountains and heavy snowfall, interaction with neighboring regions was limited and that created its unique cultural practices and lifestyles. Since registered as a World Cultural Heritage site, the village fascinates more visitors with unique culture and beautiful scenery of each season.

☆ Hida Beef Lunch

Hida Beef is beef from a black-haired Japanese cattle breed, which has been raised in Gifu Prefecture for at least 14 months. Hida Beef is required to have been certified as Yield Score of Grade A or B by the Hida Beef Brand Promotion Conference, and have Firmness and Texture Grade of more than 3 as graded by the Japan Meat Grading Association. Please enjoy Hida Beef steak at Ajino Yohei, one of the best Hida Beef restaurants in this region and be surprised with its tenderness and flavor that melts in your mouth.
