#### ☆Kashikojima Espana Cruise

Please enjoy the sightseeing cruise of Ago Bay, the Spanish-themed ship Esperanza. During the cruise, the ship stops at a model pearl factory where you can watch the nucleus feeding operation of cultured pearls.

#### ☆Yokoyama Observatory

There are viewing decks overlooking the panoramic view of Ago Bay with pearl cultivation rafts and a ria coast. The scenery of the approximately 64 islands is absolutely incredible. You can enjoy the splendid view from Mirador Shima, a newly opened cafe terrace in 2018. The terrace of the wood deck has a great view and you will feel as if you were floating in the sky.

#### ☆Ama Hut

In Toba ans Shima region, traditional female divers have been fishing the local waters for thousands of years. To warm up for diving, the Ama divers built huts on the shore. Please enjoy the atmosphere of the hut sitting around the hearth, fresh seafood lunch and the divers' tales of the sea.

### ☆Okage Yokocho & Oharai Machi

Okageyokocho Lane is located in the Oharaimachi area near the Naiku shrine. Built from the Edo era to the Meiji era, this small alleyway extending across 13,200 square meters has relocated and reproduced some historic Japanese architecture. You can look for specialty souvenirs such as rice cakes and Ise tea, and enjoy strolling around the gourmet restaurants associated with Mie Prefecture.
